Enrollment & Attendance Policy

The Findlay Learning Center serves self-motivated students who have the desire and ability to participate in a self-paced program of blended learning instruction that includes online instruction with the support of a licensed educator who can help provide assistance. However, in order for students to be successful in a blended-learning environment students must be able to effectively manage their time, learn independently, and take responsibility for their learning.

In order to ensure that our students are making adequate progress in their schooling they are required to complete their course work according to the course pacing guides and the goals established with the input of their educational coach or teacher. For students in grades 1-6 this requires a minimum of 25 hours of online activity time each week. Activity time is calculated as time spent by a student actively working in online lessons (tutorial, application, mastery test, assessment, etc.). Offline activities, such as additional reading selections, reports, projects, etc. are considered to be homework and are required in addition to the 25 hours of activity time each week.

Findlay Learning Center Commitment:

1. The Findlay Learning Center will provide a high-quality on-line curriculum in a supportive and effective learning environment that is aligned with the Ohio Content Standards.
2. The staff at the Findlay Learning Center will provide each child with assistance and feedback during normal operating hours.
3. The staff at the Findlay Learning Center will return parent phone calls and emails within 24 hours during normal operating hours.
4. Parent conferences will occur on a quarterly basis and by appointment when a parent or staff member requests a conference.
5. Student progress reports will be mailed to the parent on a quarterly basis.
6. Educational Coaches will make every possible attempt to contact parents by telephone, text message, email or mail to discuss student attendance and progress concerns in a timely manner.

Parent and Student Commitment:

Parents and students are asked to please read the following statements and initial in the spaces provided.

Parent Initial	Student Initial
-------------------	--------------------

_____ Unless otherwise approved by the director, when student first begins at the Findlay Learning Center they will attend the lab or classroom for at least 14 hours a week for the first three weeks in order to ensure the student understands how to use the online program, understands how to get assistance, and can establish a learning routine that will ensure they are successful using this blended learning option.

_____ The student must be physically present at the Findlay Learning Center for at least a minimum of 3 hours each week. During this time students will participate in a variety of activities which may include: review of

student's overall progress, establishing weekly goals, tutoring, test taking, etc.

_____ Elementary students (grades 1-6) are required to complete 25 hours a week of instructional activities.

_____ Students who do not maintain adequate progress **will be** required to attend more frequently.

_____ A student's enrollment and successful participation in the Findlay Learning Center requires that the family provides and maintains a connection to the internet. The student and family understands that when they are not able to provide a connection to the internet they must make other necessary arrangements in order for their child to complete their coursework. This may include using the internet connection provided by the local public library or increasing their time at the FLC lab.

_____ Findlay City School issued computer and school supplies are the property of the State of Ohio, purchased by Findlay City Schools and assigned to you (your child) for use while enrolled in the Findlay City School District. By signing this agreement, you assume responsibility for the equipment and school supplies issued to you (your child) and agree to take due care in the handling and use of this equipment and school supplies. Parents and/or students are responsible for computer and/or peripheral equipment that are lost, stolen, damaged or destroyed in any manner.

_____ Parents and guardians agree to attend at least two parent conferences throughout the school year in order to receive updates on student progress.

_____ Parents, guardians and students understand that all tests and final exams must be taken at the school in order to ensure the integrity of our program.

_____ Parents, guardians and students must provide within the home a structured schedule during which the student is engaged in the Findlay Learning Center's program of study, and adult supervision and support to ensure the student's safe and responsible participation in the learning program.

_____ Students must be committed to working on their lessons, asking for assistance when they need help, and helping to ensure that the Findlay Learning Center is a safe and respectful learning environment. Students will be required to follow all rules and regulations of the Findlay City School District whenever they are on Findlay City School property. Parents, guardians, and students understand that students are not permitted to be disruptive or sleep in the lab. Students who are unable to stay awake during their time at the lab will be required to go home. A student's time at the lab can be reduced by the director or principal, up to the state minimum of three hours of attendance at the lab per week. When a student is sent home for sleeping or disruptive behavior they are still required to meet their online attendance requirements.

_____ Students will be required to work on off-line activities, according to the course syllabus. This work is counted as homework and not a part of their weekly required 25 hours of time-on-task.

_____ Student attendance is calculated beginning at midnight on Monday through 11:59 PM Sunday evening. Students who do not work on their online work for a minimum of 25 hours of time-on-task weekly (Monday-Sunday) will be marked unexcused absent.

_____ Parent must contact the school when their child will be absent from their regularly schedule day(s) of attendance. Absent notes are required to excuse a student when they are unable to meet their weekly 25 hours 'time-on-task' requirements due to an FCS approved absence reason. The note must be submitted within 2 days after returning from the absence in order to be considered for excusal.

_____ Students are required to complete their weekly hours, including times when school is delayed or cancelled.

_____ Students who are absent from the FLC lab are expected to continue working on their online course work during their absence, except when the absence is due to an FCS approved absence reason. Students who do not complete their weekly online coursework will be marked absent. An absence may be recorded on the student's attendance for any day of the week from Monday through Friday. It will be at the Findlay Learning Center director's discretion, in accordance with the laws, whether an absence is marked excused or unexcused based on the reason and documentation given for the absence. Students are truant from school when they have no valid reason for missing school or not participating in their online coursework.

Ohio law recognizes the following as being valid reasons for being absent from school: personal illness, illness in the family, quarantine of the home, death of a relative, emergencies due to absence of parents or guardians, observances of religious holidays, other emergencies of a set of circumstances which constitute good and sufficient cause. All other absences will be considered unexcused. Unexcused absences will be closely monitored and the following procedures will be maintained: The Hancock County Juvenile Court requires truancy attendance meeting after two unexcused absences. After ten days of unexcused non-attendance, truancy charges may be filed and the student may be withdrawn from the Findlay Learning Center in accordance with ORC Section 3314.03(A)(6)(b). The district of residence will be notified of the withdrawal.

I have read, understand, and agree to abide by the terms of the foregoing Attendance Policy.
